Additional Terms & Conditions:

Client acknowledges that existing plumbing and system conditions may require additional repairs once work begins. Any additional work will be quoted and must be approved prior to proceeding.
Warranty applies only to materials supplied and work performed by FLBBP. No warranty is provided on existing system components not replaced.
System will be tested upon completion; however, FLBBP is not responsible for pre-existing or concealed leaks that may become evident after repairs are completed.
Client is responsible for providing clear and safe access to the work area. Additional charges may apply if site conditions differ from initial assessment.
FLBBP is not responsible for delays related to special-order materials or supplier availability.
