

# Hammocks Community Association Inc.

## Summer 2023 Landscape Schedule

### Tree Trimming

- Starting the week Week of 06/26/2023
- Starting to trim trees and maintain behind Lake Mimosa along the lower right behind Jasmine
- Then moving to Black Creek lake and round the Black Creek Rec center for two weeks
- Subsequent weeks will be moving moving to Wild Lime lake north hear Plumago (Mahgonay Key)
- Next two weeks will be tree trimming around Live Oak Lake
- Last two weeks will be Trimming and maintaining near Water Oak Lake
- Please note that because they are working in your area one day does not mean they will be there the next workers may be pulled for impending work orders

### Road Clean up

- There are currently 30 days worth of road cleans ups left. The idea is to get them done before school resumes session.
- Please note that medians on SW 147<sup>th</sup> are maintained by Miami-Dade County Next two weeks will be tree trimming

### Work orders

Please note that you may see workers on an area for two or three days of the week, and they may be absent for a few days before returning as they attend to urgent work orders. If you need to submit your own work order, please do so at <https://hammockscommunity.connectresident.com/> or call us at 1-866-378-1099
